How to watch a RSR Consultants Ltd webinar/download slides

Step 1: Login

There is a login box in the top left hand corner of every page at <u>www.rsrconsultants.com</u> so complete your details and click Login. If you do not remember your details (or don't have any details) there is a link to request access, username reminder or password reset just underneath the login boxes.

Step 2: Go to Webinars menu item

Click the Webinars menu item and scroll down.

If you are a retainer client then you will not see the "Send message" box below and almost all of the videos have "Play Intro Only" rather than "Play Video" on them.

Then to see the most recent webinar click "Sort by Date of Video"
